Welcome
This sheet provides information and website links to help you prepare for the start of the term.

Student VISA
admissions.uoregon.edu/visa
If you plan to apply for an F-1 student visa, you will receive your I-20 immigration document with your formal acceptance letter.
If you are currently studying in the U.S. with an F-1 visa, a SEVIS Transfer-In Request Form will be mailed to you instead of an I-20. When you receive this form, ask the international student advisor at your school to complete and sign it. Fax the signed transfer form to +1 541-346-1232. After the transfer release date, your new transfer I-20 will be mailed to you.

Immunizations
healthcenter.uoregon.edu
The University of Oregon requires proof of measles (Rubeola) and mumps immunity from all entering international students. Without this information you will NOT be able to register for your first term of classes. Detailed information about immunizations is available by using the link above.

Intent to Register
admissions.uoregon.edu/iitr

FALL ADMITS
After you are admitted, we send you an e-mail with information on how to go online and confirm your Intent-to-Register (ITR) at the University of Oregon. The ITR is due by May 1.

Beginning in May, students who have submitted the ITR are able to use DuckWeb to register for Freshman Interest Groups (FIGs). Information about FIGs is available online starting in April at firstyear.uoregon.edu. See below about orientation and advising.

WINTER, SPRING, OR SUMMER ADMITS
Students do not use the Intent-to-Register process.

International Student Orientation
international.uoregon.edu/iss
Admitted students are sent information about our orientation and advising programs. We require new international undergraduate students to attend an orientation and advising session before they enroll at the UO for the first time as a matriculated student.

Orientation and advising sessions are offered each term. You must register ahead of time to allow us to prepare for your arrival. Details about fall and mid-year advising programs are available by visiting the website listed above.

Conditions of Admission
Our offer of admission is contingent on the successful completion of the courses you have in progress and the successful completion of all admission requirements prior to the start of the term. We are admitting you with the expectation that you will complete what you have told us either within your application or with follow-up communication. If you do not, our offer of admission may be rescinded.

Completing Your File
When your final transcript is available, ask your school to send an official copy to the Office of Admissions. If we do not receive the documents needed to complete your admission file, you will be prevented from registering for future terms. All academic work in progress must be completed before you enroll at the UO.

FRESHMEN
If you are currently in high school, have your final transcript sent once you graduate. Official copies are issued directly by your school in a sealed envelope and must bear the official stamp or seal of the institution as well as the signature of the appropriate official.
If transcripts and certificates are not in English, provide a certified translation of the documents. Facsimile or e-mail transmissions of transcripts will not be accepted. Your final transcript must include a graduation date; otherwise we will request another transcript. If you received college credit in high school, an official college transcript must be sent so your credits can be articulated. Students with AP or IB scores should request that official score reports be sent to the University of Oregon.

TRANSFERS
Applicants currently enrolled at another institution should request that an official transcript be sent to the UO once final grades have been posted. If you are attending an Oregon community college and will be completing the AAOT degree, make sure that degree is posted on the transcript sent to the UO.

Timeline
admissions.uoregon.edu/timeline
Students admitted for fall can use the link above to review a timeline of what should be done before enrollment.

Housing
housing.uoregon.edu
+1 541-346-4277
Only admitted students may apply for housing. Apply for housing now, as it is limited and awarded on a first-come basis. Make your initial housing payment and sign your residence hall contract online. This process will secure your space in the halls. For more information, visit the website above.
The University of Oregon affirms and actively promotes the right of all individuals to equal opportunity in education and employment at this institution without regard to race, color, sex, national origin, age, religion, marital status, disability, veteran status, sexual orientation, gender identity, gender expression, or any other extraneous consideration not directly and substantively related to effective performance. This policy implements all applicable federal, state, and local laws, regulations, and executive orders.
