STUDENT AUTHORIZATION

No applicant will be granted a fee waiver unless they are determined to have genuine financial need. Prospective students who are classified as international applicants are not eligible for an application fee waiver. However, undocumented Oregon high school students who are potentially eligible for the state's Tuition Equity Program can be granted a waiver on a case-by-case basis. The Office of Admissions administers the application fee waiver program. The director of admissions may add, remove, or modify methods of confirmation as needed over time.

I request that the University of Oregon waive my admission application fee.
